

Certificate of stem cell declaration

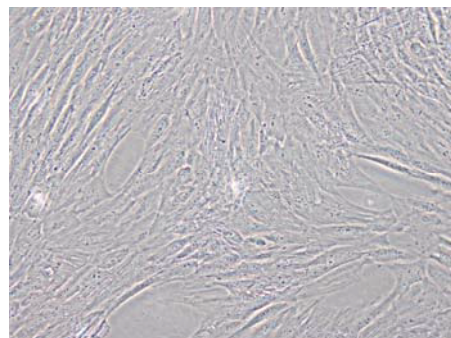

This certifies that stem cells belong to EM-ON NAVAPONGANAN

have been successfully processed and passed
Medeze Stem Cell Quality Control Standards
with good viability and high multiplication potential.

Identification	No. 5117 0606 2500
Type of stem cell	Mesenchymal Stem Cell
Source	Adipose Tissue
Total Number of stem cell	40 million cells
Cell viability	98.00 %
